

Second Annual Shannon Private Boat Show

October 23 to October 30, 2010

and

The First Ever "Bring a Shannon to You" Program

Last year, our first annual private Shannon Boat Show here in Bristol, RI was a great success. This year we will continue to have Shannon models available in the water for inspection and seatrials, and our shop open for tours from Saturday October 23, 2010 through Sunday October 31, 2010. Hull #1 of the new Shannon 52 RDP (Raised Deck Pilot) will be debuted publically for the first time and will be available for inspection and seatrials.

The Shannon Private Boat Show provides a gentle, hassle-free, no pressure environment for people to see all the Shannon models. Everyone who attends our boat show will be able to see what is truly important in a boat by watching American boat builders at work creating the world's finest yachts.

We sincerely hope that you will join us in Bristol for a fun and informative experience. Bristol is a beautiful historic town with inns, fine restaurants, and quality antique shops plus the Herreshoff Marine Museum. Newport, the yachting capital of New England, is only 12 miles away. We will gladly assist you with all your travel arrangements upon request.

Shannon 53 HPS #2 will be on display at the US Sailboat Boat Show, Annapolis, MD October 7-11, 2010 for those that still enjoy the boat show experience. Please call for complimentary tickets to the show. Shannon 53 HPS #1 will be in the area during the show available for seatrials.

Shannon 53 HPS #1 and #2 will be heading south to Florida from the Chesapeake after the boat show, followed by the first Shannon 52 RDP in November, and Shannon 53 HPS #3 in December. Never in the thirty five previous years here at Shannon have we had so many of our newest models heading down the East Coast. The owners of these four Shannons have agreed to help us by making their boats available for inspection and seatrials. We will try to make every effort to bring a Shannon 53 HPS or the Shannon 52 RDP to a marina close to anyone interested in an inspection and seatrial. Like the Shannon Private Boat Show, we are hoping that our first ever "Bring a Shannon to You" program will also be a success.
